## Public Records Request

The City of Hermosa Beach encourages public participation in the governing process and provides reasonable accessibility to all public records except those documents which are exempt from disclosure by express provisions of law or considered confidential or privileged under the law. The City is under no obligation to respond to requests which are not focused or specific. The City may withhold documents which are exempt from disclosure under state or federal law, including the attorney—client privilege or any other applicable privilege. The City, in accordance with Government Code Section 6253(b), has ten (10) days to respond to any request for public documents by indicating whether or not the documents exist and will be made available. Actual production of the documents may take somewhat longer depending upon their ease of availability and staff workload. To assist us in providing a timely response to your request, please fill out the form below and indicate the specific record/document you wish to review.

Dear Records Request Officer.

I understand there is a searchable database including traffic citations going back quite a few years.

I received the following data from Captain McKinnon in a recent correspondence.

From Captain McKinnon:

**I cannot provide 20 years of stop sign data but below you will find the past four years of citations issued:**

**2015: 8**  
**2016: 15**  
**2017: 1**  
**2018: 13**

My public records request is for the DATES of all stop-sign violations at the 400 Gould Ave (westbound stop sign ), the 350 27th street (eastbound stop sign) or the stop sign violations at the 2700 block of Morningside drive.

This is the intersection of 27th and morningside.

I also the range of dates that were searched in the database

I am NOT asking that the police dept conduct an exhaustive search of paper records; just a quick database search.

The date, citation # and the VC infraction # is adequate

Thank you,  
Anthony Higgins
